GROUP'S OWN MROs

Approved by Director General of Civil Aviation,
Ministry of Civil Aviation(Govt. of India)
under CAR 145

The MRO acronym is used to refer "Maintenance, Repair & Overhaul" Organization which are approved by DGCA, Govt. of India

As per the regulations framed by DGCA, Govt. of India, all Aircraft and it's Components are mandatorily maintained & certified at DGCA approved MROs only.

The MROs of Sha-Shib Group maintain many Aircraft and it's Components at more than 6 Airport and Maintenance base across India.

Such organisations open opportunities to strengthen the practical hands of AME students and also huge no. of employment for the passed out AME students.

Advantage to the learners at SHA-SHIB

Only the Best can make you the Best

Training & Placement are Administrated by a Centralized team of highly experienced and dignified Aviation professionals.

Academics Plan & Course Materials are prepared by a group of 7 Training Managers & 7 Quality Managers and More than 100 highly experienced faculties under the mentorship of more than 15 licensed Engineers.

LEARNERS AT SHA-SHIB GROUP GETS UNIQUE & EXCLUSIVE OPPORTUNITY TO GET MENTORED BY MORE THAN 15 AME LICENCE HOLDERS

Aircraft Maintenance Engineers

An Aircraft Maintenance Engineer is a licensed person who carries out and certifies aircraft maintenance. The license is also recognized by the International Civil Aviation Organization .

In other words, no aircraft can take off without Certificate of Release to Service issued by the licensed Aircraft Maintenance Engineer.

Aircraft Maintenance Engineering could be an exciting career if you are passionate, enthusiastic and looking for something different other than the conventional engineering course or other bachelor degree courses, etc. Aircraft Maintenance engineer's position is a job profile with a great sense of responsibility and high dignity. It is an interesting area of study and pleasing area of work. Anyone dreaming to build their career in Aviation industry can opt this course and can fulfill their dreams to achieve heights he/she dreamt to be.

*Completion of the course and passing all the Modules along with clearing of the license exam/skill test conducted by DGCA as required vide CAR 66 is the Gateway to become a successful AME . One may Refer CAR 66 to go through Detailed Requirements for obtaining AME License.
